

## NEW 3400JF Floating Fountain

Kasco Marine introduces our newest Aerating Fountain, the 3400JF model. The 3400JF, 3/4 hp Floating Aerating Fountain is great for medium size ponds and when multiple fountain patterns are desired. It comes standard with 5 interchangeable nozzles to give you 5 patterns for the price of one. The patterns range from 7' in height to 20' in diameter. You can adjust the aerating fountain to fit your pond, weather conditions, and your tastes. The 3400JF will be available in 120V and 240V, 60Hz models. Kasco's 3400JF does a great job at adding oxygen and improving your pond or lake aeration.
