

## **NEW 4400VFX Aerating Fountain**

**Kasco's 4400/VFX, 1 hp Floating Aerating Fountain is 8' Tall x 26' Wide. The 4-Blade Prop causes less water slippage meaning high water flow versus power consumption. Kasco's 4400/VFX Fountain does an excellent job at adding oxygen and assists in improving your water quality as well as adding to the aesthetic appeal of your pond.**
